1. Legislation

1.1 The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity; and
- Foster good relations.

1.2 The Kings Lynn Nursery School fully understands the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age;
- Disability;
- Race, colour, nationality, ethnic or national origin;
- Sex (including transgender);
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation; and
- Marriage and civil partnership (for employees).

1.3 In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties.

These are to:

- Publish equality information – to demonstrate compliance with the general duty across its functions - We will not publish any information that can specifically identify any child.
- Prepare and publish equality objectives - to do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a Kings Lynn Nursery School. This will include the following functions:

- Admissions;
- Attendance;
- Attainment;
- Exclusions; and
- Prejudice related incidents.

- 1.4 Our objectives will detail how we will ensure equality is applied to the services listed above however; where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion (see Community Cohesion Policy).

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

2. The Policy

- 2.1 The Kings Lynn Nursery School's Equality Information and Objectives Policy draws together all previous equality legislation and details how the Kings Lynn Nursery School is fulfilling the requirements of the Act.

3. Our Ethos

At King's Lynn Nursery School all our children are...

Inspired
Valued
Curious
Safe
Kind
Respectful
Happy

4. Addressing Prejudice Related Incidents

- 4.1 The Kings Lynn Nursery School is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Local Authority using their guidance material. The Local Authority may provide some support.

5. Objectives
